3. While Mr. [REDACTED] was occupied on the "C" Program, it is the intention of the writer to position his replacement on the "O" Program and simultaneously, add a third man to the "I" Program. It is my belief that Mr. [REDACTED] will make an excellent choice as the third man in "O". He has an excellent overall security background and hopefully can be molded into a very versatile asset to the OSA Security Staff. I have in mind having Mr. [REDACTED] understudy Mr. [REDACTED] and Mr. [REDACTED] and also traveling to [REDACTED] often enough so that he can, in an emergency, step in as a supplemental asset to [REDACTED] and [REDACTED] should our needs in [REDACTED] exceed their present level.
